

Who are We, and what is this site about?

We are Jo, better known as JoJo and David, widely known as dirty-david.

We met in October 2000, and have been a couple since August 2001, we got married in August 2006.

We live in Caudete in Albacete, Spain but travel wherever and whenever we can.

We are, for the want of a better word, swingers. Jo got involved in the scene in 2000, after being put in touch with David by a mutual friend. David has been in the scene on and off since 1974. We have been a swinging couple on and off since 2001.

This site has been put together so that we can tell you about us, and show you a few of our pictures, and share a few of our video clips of us having sex with strangers.

Our main turn on`s are:

- group sex with couples
- group sex with single guys aged 20-40
- bareback sex
- cum in pussy - creampie
- cum on face or on body
- inter racial sex
- sex with strangers

We hope you enjoy your visit, and if we look like the type of people you would like to play with, and you fit the description of the type of person we are looking for then please feel to drop us a line telling us about yourselves and if possible send us a recent face or body picture.
