

Swingers Parties

We hold swingers sex parties at our home in Caudete, Albacete, Spain.

Couples, single ladies and trios are always welcome.

A small number of single guys are allowed, but only by personal invitation from Jo. Men turning up on the doorstep without an invitation will be turned away.

To find out more about the parties and how to get added to the guest list please check our website at [ddparties](http://ddparties.com).
